Once you have completed your responses to interagency comments, you can send them directly to Aaron. Please cc me. Are your responses in the form of a RLSO to the rule and RIA, or as narrative responses to the interagency comments document?

At the end of the process, OMB will likely ask for clean versions of the documents. They will then OK those for submission to ROCIS. You will then have to send the documents to the OP/RMD Desk Officer (Darryl Adams) who can submit them to ROCIS. Once that's done, OMB can officially conclude its review.

Thanks everyone for your final review. I just spoke with Aaron Szabo at OMB – and apparently, he will be on vacation. Ex. 6 - Personal Privacy So, given that there are a few issues that we're still looking into, I propose we send out on Monday. **Bruce Schillo**, once we get the package together Monday, I assume you would like to send along? Let me know.

I've completed my review and am out of the file. This is looking really good.

Please see the comment bubble I placed recommending that the economists check any edits made subsequent to their own edits.

Thanks for the opportunity I was given to review this again,

Bruce
